

REMARKS

The courtesy of the Examiner's call November 30, 2005, prior to a next Action is appreciated. The Examiner asked if the pending claims 1-4 and, particularly, claim 1, could be further edited and the applicant gratefully accepts this invitation by presenting new claim 5 above.

Inasmuch as claim 5 is merely a reduction of claim 1, no Festo-like consequences should arise from its presentation.

Reconsideration and allowance are, therefore, requested.

Respectfully submitted,

William R. Evans
